L: Precious Lord Jesus, we confess that we seldom wors	ship you as we ought.
P: You forgave us everything, and yet, we are slow to f	forgive those who sin against us.
L: We are quick to hold grudges, and quick to let thing	s come between us and others,
whether political views or past sins. Lord, let love re	eign in our hearts again.
P: Jesus, you gave your life to save us, but we often giv	e so little to show our love for you.
L: Today, O Lord, we pray, may our lives be offered up	to you once more. May we live for
you not only at church, but also at work and at hom	e, in the classrooms and on the ball

This Week's Congregational Prayer:

(These weekly prayers are given for unity and prayer guidance. Unity in the hope that everyone will offer this prayer daily throughout the week. Prayer guidance in the intent to assist everyone in knowing how and what to pray.) Father God, John Newton came to know and cherish your amazing grace in his life. May we also experience the peace and joy of being forgiven all our sins and of having a right relationship with you...because of your free gift to us in Christ Jesus. And may our voices and songs always be raised to sing praise for your amazing grace! Amen.

Let's Talk About It - This Week in Our Children's and Youth Education:

LOGOS: Preschool/Kindergarten: This week we focused on David and Goliath (1 Samuel 16-17). We listened to a bible story about David-learning that he was the youngest of 8 boys in his family and that he was to become the next king of Israel when he grew up. He was also the one who volunteered to fight Goliath! We talked about how David trusted that God was with him to fight this giant-and he won! In talking about the Armor of God and preparing for battle, Brad Roth was able to join us for the night and show us the protective gear that Matt Hines wears during his time as a firefighter. They were able to try on the heavy jacket and helmet to see what it was like when dressed for battle-similar to what David might have felt like when King Saul put the heavy armor on David. Big thanks to Brad Roth for joining our class and Matt Hines for letting us borrow your gear!!

Confirmation: This morning in confirmation, students explored the Evangelical Association's website (http://evangelicalassociation.net/earccc/), which is the association of churches to which St. John's belongs. Consider exploring this site further with your student and ask them if they have any additional questions (or ask one of your pastors if you have a question!).

SSHS: Our lesson comes from Leviticus 16; focusing on a picture of atonement. God provides atonement for the people's sins.

JYF: This week, students split into 3 groups to learn more about different services and ministries in our community, including two group homes and a warehouse stocked with donations to distribute to people in need. Students enjoyed showing Jesus' love by playing games with the group home residents, and enjoyed a tour with Jerry Rohrs to learn more about ministries to help those in need.

A Praying Life Seminar

March 29 & 30, 2019 Archbold Evangelical Church

This seminar teaches a step-by-step approach of how to begin a private life of prayer in fellowship with the heavenly Father. It is not for Christians who feel victorious, but Christians defeated in the trenches, asking... How do I focus when I'm distracted with so much to do? How do I pray longer than five minutes? How do I ask when I've tried it before and it doesn't work? We will look at Jesus' powerful yet simple teachings on prayer and practice becoming child-like, patterning after Jesus' own teaching and style of praying. Cost is \$10 per person or \$15 per couple, which includes materials and snacks. For more information on the seminar & registering go to: seeJesus.net/events by March 20.
