## pastor's letter

It was simply known as "Big Red." It was a big red metal trailer. I became acquainted with big red during a work week at Pilgrim Hills Church Camp (PH) between my junior and senior years of high school. Big red was eight feet wide and ten feet long, with two foot sides. It was primarily used to haul mulch, dirt and gravel. One project involved adding fill dirt to a 40 foot by 100 foot pavilion, so a brick floor could be laid. Big red was easy to load – a front end loader was used for that – but unloading it was the hard part – shovelful by shovelful. The camp didn't have power dump trailers in those days! Through the several summers I was on staff at PH, I must have helped unload hundreds and hundreds of loads by hand from that trailer. It was a great workout, but also very, very exhausting when we did several loads in the course of an afternoon. What made every load bearable was that two people worked side by side to unload each load of dirt or gravel.

A special group of guys often joined in on unloading big red for larger projects – Burt, Don and Larry. Unloading big red with one of these men by my side really sped up the process – it was always a great competition to see who could unload their side of the trailer first! But who ever got done first, then helped finish unloading the other side, with a bit of ribbing given to the slower of the two.

Those times of unloading big red helped create within me a sense of teamwork outside of organized sports, of working side by side, of which unloading big red was just one such chore. Today, Don & Larry remain my friends, even forty years after getting acquainted. Burt was a life-long friend too, up until his death a few years ago. Our Christian friendship has always been a strong blessing, but even more so in recent times of difficulty we've each gone through. Big red helped forge our friendship, and we didn't even know it at the time. Through our times at the back of big red, I came to value certain truths from the Bible:

- Ecclesiastes 4:9-10 – "Two are better than one, because they have a good return for their work: If one falls down, his friend can help him up. But pity the man who falls and has no one to help him up!"
- Galatians 6:2 – "Carry each other's burdens, and in this way you will fulfill the law of Christ."
- Philippians 2:4 – "Each of you should look not only to your own interests, but also to the interests of others."

Here at SJCC, through our recent focus on mental health, I hope these verses speak to each of us in terms of watching out for one another, of caring for each other, of striving to be compassionate and understanding, of walking side by side with each other. I am very blessed as my friends and I share these Christian qualities. As you read and consider these passages, I'm praying they shape your heart as we live and serve together.

Blessings in Christ,

ERICH

## congregational news & thank you's

Dear Church Family,

We would like to "thank you" for your prayers, cards and kind words during the past week. The dinner prepared for us was delicious and we thank anyone who helped in any way. Our mother struggles no more and is at peace. Thank you all again.

The family of Pauline Zimmerman

Dear Church Family,

We would like to thank you all very much for your heartfelt words of kindness, prayers, cards, and expressions of sympathy shown following the passing of Cathy. The support of Pastor Erich, Pastor Alex and each of you during her illness and passing was very much appreciated and of great comfort to our family. We certainly are blessed to be part of such a caring church family.

Sincerely,

Richard Spiess, Brad & Aimee Roth & Family,  
& Kyle & Erica Spiess & Family

Sue MacDonald  
Director/Teacher

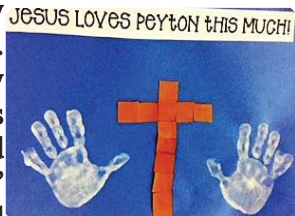

Joan Wyse  
Teacher Assistant

It's so hard to believe that Preschool Graduation is right around the corner! But the weather has warmed up, and we have been able to get out and enjoy the playground during the past few weeks. We continued our "Spring" unit during the first week of April by talking about "Bugs and Butterflies". We learned how many legs bugs have, and talked about many types of bugs. We learned a new word, "symmetry", when we talked about butterflies. We even had several bug and butterfly specimens in our Science Center to look at!

The MWF classes made spin art ladybugs and added black buttons for spots. Those classes also planted their bean sprouts in dirt, and they are growing like crazy with plenty of watering and warmth from

the sun. The younger children planted grass seed in March, and have been carefully tending to their little "lawns". The following 2 weeks were busy with celebrating Palm Sunday and Jesus's Resurrection. The younger children depicted the 3 crosses on the hill with a watercolor/paper plate activity, while the older children used handprints and cut small brown squares to make a cross, showing how much Jesus loves us. We also did some activities with baskets and eggs, and one of my favorites was a doily overlay with watercolor paint.

We did the "Bunny Hokey Pokey" in the gym, and songs such as "Funny Bunny" and "Jesus Died and Rose Again" were favorites. We concluded the month by starting our "Transportation" theme. "St. John's Airport" was a busy place in the Dramatic Play Center, and many children enjoyed building with train tracks and constructing their own "boats" out of pool noodles and floating them in the Sensory Table. Our Bible verse for April was, "Jesus Christ is the same, yesterday, today, and forever. Hebrews 13:8"

### May Mission-A-Month Cherry Street Mission Ministries

Cherry Street was founded on Biblical principles in 1947, and remains a Biblically-based, Christ centered organization today. Their Spiritual Advocates consist of both staff and volunteers that lead Bible studies daily and mentor guests through their journey with Christ. Cherry Street has a Men's Division, Women's Division (Sparrow's Nest) and food services.

Each night, Cherry Street provides safe, free shelter for nearly 230 men and women who would otherwise sleep on the street or remain in an abusive situation. For some, it's the first night they've slept safely in a very long time.

Cherry Street is more than food, clothing and shelter. Their redemptive programming is built around one on one discipleship. They care more about who a person is, rather than what a person has become.

Cherry Street is the only organization in the region to offer 3 meals a day, 7 days a week, free of charge to anyone who needs them. Cherry Street gratefully accepts financial donations and gift-in-kind donations (anything donated that is not cash). More information about this Mission-A-Month can be found online at [www.cherrystreetmission.org](http://www.cherrystreetmission.org).

People may donate monetarily to these ministries by marking their envelope or check with "May M-A-M (mission-a-month) or by dropping off donated items

### Habitat for Humanity®

We've just learned that due a recent vacancy in their executive director position, LaPorte County Habitat for Humanity is way behind schedule in starting this summer's home build. That means that they won't have any work for volunteers during the week of June 9th through 14th. Pastor Erich is working on alternative work options for the week, but at this point the week's experience is very up in the air. Further news will be forthcoming.

### **Toledo Gospel Rescue Mission**

May 19th is the next time we'll send a group of folks to lead the evening chapel service and provide the evening meal. Volunteers usually gather at 3pm on Sunday afternoon to car pool to the mission, do final prep for the meal and service, lead the 30 minute service, then serve the meal, and enjoy sitting and eating with the men and women who come to the mission. The group should return to the church between 7:30pm and 8:00pm. Talk with Pastor Erich or Ann Grime if you're interested in helping!

### **Missionary Contact/Prayer Request Information:**

Recent emails from some of the missionaries we support offer the following:

- **The Aroles**
  - o They continue to welcome college students from several U.S. schools who are exposed to CRHP's unique approach to sustainable community development, health for all and empowerment.
  - o They have a new partnership with an organization named Swiss Limbs – working to provide mobility for all people as a fundamental human right. This will help expand CRHP's Artificial Limbs Workshop to include upper limb prosthetics.
  - o Was blessed to welcome volunteers from the Japan Evangelical Lutheran Association, whose service helped open up a new classroom for the Joyful Learning Preschool.
- **Robert & Jenni McMahan** with Cru at BGSU – pray for fruit to come from a two day Connection Event on May 2nd and 3rd.
- **Matt & Paige Waanders** with Cru at OSU and Columbus State shared that one of the students who went on a spring break trip to Chicago was Abby, a quiet freshman from Baker Hall, a dorm where Paige does ministry. After the trip, Abby shared that she mainly came on the trip because she didn't want to go home for the week. Though she didn't know what to expect or have much desire to be on the trip, God met her in meaningful ways there and she grew significantly. She told Paige, "This past week in Chicago was the first time in a long time where I genuinely felt known and cared for by my peers. I didn't expect God to transform my heart in the ways that he did." The growth that Abby experienced in her relationship with God and in her friendships with other Christians at Ohio State is one of the many reasons why we love getting to lead mission trips like this one.

# ministry happenings

We have seen time and again that getting away from campus and joining together with other Christians in mission is a powerful tool for students' spiritual growth.

- **Jon & Rachel Doriot** with the Pioneers near Chicago – sharing the following prayer requests:

1. For a deepening trust and daily walk with Christ.

2. For God's provision financially for this ministry so we can focus, not on those worries, but on ministry.

3. For disciple-making training opportunities we have in April and May with a few area churches that it would be fruitful and lasting (1 Tim 3:17)

4. For Persons of Peace (Luke 10) who are ready to study God's Word with us or our coworkers. God can use them to multiply his church!

5. For friendships with Muslim individuals and families in and around our community. I was invited to a breakfast event this past Saturday at the mosque nearby. It was a time to come together as a community and to realize that we are all human beings with the same worries and struggles, trying to take care of our families and please God. Do pray, though, that God's Way would be made clear through us and that there will be those who want to look deeper into the Scriptures.

6. For a Christian Iraqi refugee family we have been helping to have their citizenship applications processed quickly.

- **Jason & Becky Suon** with Freedom International in the DR – pray for the blessing of so many of the children who have experienced or are enduring various issues of trauma which causes tantrums, lashing out at others or uncontrollable crying. Pray for strength and calm for the teachers.

## Events/Activities

### Habitat for Humanity of Fulton County, Ohio

You might have noticed a small white sided playhouse on a trailer in the church parking lot recently – that's a fundraising project of the Habitat for Humanity of Fulton County Ohio. Tickets are available from Pastor Erich or through the local HFHFCO web site – <https://habitatfco.org/>

The planning involved in getting the 2019 HFHFCO house build underway is well started. A three bedroom home for a single mom with three children will be built on Zenobia Street in the northwest section of Wauseon. All of the exterior and interior walls for the home will be built the weekend of May 17th-18th, at a church near Dayton, as part of a partnership with Help Build Hope! The local church will provide the funds for the wall materials and will provide 100 volunteers to frame and sheath all of the walls. Then the walls will be transported to Wauseon. Unfortunately, HFHFCO's Construction Manager, Mr. Bob Sauder, passed away in April and the local affiliate board is working to fill that position. In the meantime, work continues on the permit process, lining up excavation and foundation/crawl space work.

### *Third Thursday Luncheons*

On May 16th, Pastor Erich invites senior citizens to gather in the parish hall for a light lunch and time of fellowship. The luncheon will begin at 11:30am with a time of welcome and fellowship, with lunch to be served at 11:45am. Following the meal, folks will have opportunity to enjoy a group activity – a game, program, discussion or study topic. Come on out and enjoy some friendly Christian fellowship.

### Men's Ministry

This month, Men's Prayer Breakfast is on May 11 at 7:40AM. This is a time of food, fellowship, and sharing. Consider sharing how the Lord has been encouraging or challenging you lately.

## Christian Education

### Mid-Week Youth Ministries:

**LOGOS:** Our Wednesday evening program for children, has completed another year. The kids have done a great job sharing their talents during worship by playing Chimes and Bells, and singing in the Jr. Choir. Each Wednesday evening, they have enjoyed great food and fellowship during Family Time, and have learned about many stories in the Bible during Bible Study. During recreation time, they played BINGO, made "Why We Love St. John's" posters and played hula hoop games. During this LOGOS year, we have had more than 40 adults helping in the LOGOS program. Thank you to each who has given of your time to make LOGOS the great program it is. See you next September.

**JYF:** We have been busy spending time outside the church walls the last few weeks! We had a night of roller skating with 6 area youth groups, played some dodge ball with the SYF at a school gym, and had another service night visiting our local sunshine homes and warehouse. April is sure to fly by, with our last meeting being April 24. At our last meeting, we explored the Life Planning program our church has (for those moving on to high school), and also looked at some junior high summer camp options. We want to say THANK YOU to the congregation and local families that have made the effort to get your youth here on Wednesdays and supported JYF this year!

**SYF:** Thank you for your support of our youth through the Easter fundraiser! Pastor Alex is excitedly anticipating the summer youth mission trip, which is partially supported by fundraisers such as this. As the school year quickly nears its end, please note these special dates:

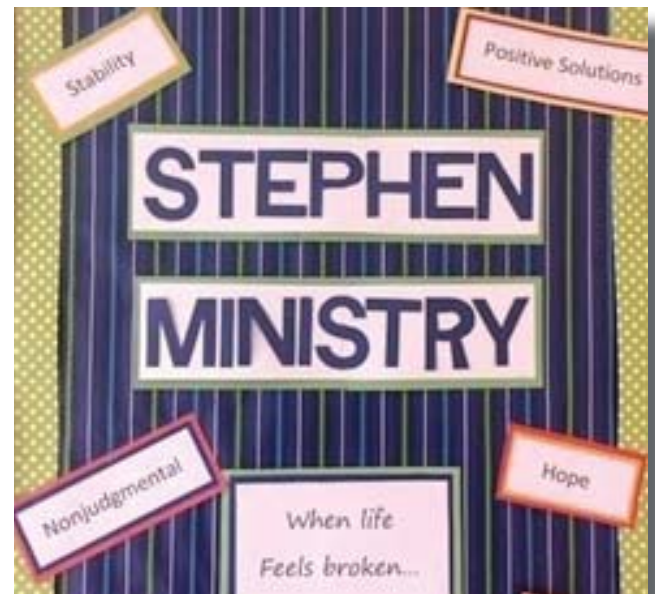

- a. Wednesday, May 8, at 7pm – Life Planning's Senior Recognition Night (seniors are recognized, but all SYF is still invited)
- b. Wednesday, May 22, at 7pm – Final night of SYF
- c. Sunday, May 26, at 9:15am – Youth Breakfast (7th-12th graders)

### **Evangelical Association News**

The 2019 Annual Convocation of the Evangelical Association will be held here at St. John's on September 20-22. The theme of the three day event is "Equip and Empower," drawing upon Ephesians 4:12 – "To equip God's people to do the works of service, so that the body of Christ may be built up."

The event includes the following dynamics:

- EA board members arriving on Wednesday evening for a day long board meeting on Thursday
  - Approximately 125 people from the EA will enjoy three keynote presentations, eight to twelve different workshops, times of worship, three meals and fellowship on Friday and Saturday
  - Sunday morning's message will be brought by Pastor Jim Barnes, National Minister of the EA  
To make this all happen, it takes a great team effort, so Pastor Erich and Pastor Alex will be reaching out for everyone's help! More details to come!

### **Three Steps to Assess a Possible Stroke:**

**S** \* Ask the individual to SMILE.

**T** \* Ask the person to TALK and SPEAK A SIMPLE SENTENCE

**R** \* Ask him or her to RAISE BOTH ARMS.

If he or she has trouble with ANY ONE of these tasks, call emergency number immediately and describe the symptoms to the dispatcher.

### **New Sign of a Stroke ----- Stick out Your Tongue!**

Ask the person to 'stick' out his/her tongue. If the tongue is 'crooked', if it goes to one side or the other that is also an indication of a stroke.
